CAL SUNDAY RIDE

Sunday, January 6, 2008

Destination: Old Stage Road to San Gregorio General Store

Departure: 9:00am

Dear Riding Friends,

Welcome to the January 2008 Shop Ride , a much shorter ride than in the summer.

This will be a ride suitable for intermediate and experienced riders, on paved roads only. Some of the roads are very tight but take it slow and you should have no problems. The roads are all local and the ride will not be very long (about 90 miles total). Some of these roads are very scenic, but we need to be very, very careful as the road is likely to be covered with pine needles, small branches, etc. We will be going rain or shine, the stormier the better!

Our route will be one that is familiar to many of you, with a few surprises thrown in. We'll leave the shop and go out Charleston to Page Mill Road, take Page Mill to Hwy 35, cross it and descend Alpine Road to Pescadero Road into Pescadero.

At the light, we'll turn right and take Old Stage Road through San Gregorio and we'll make a stop there at the General Store before continuing up Old Stage Road to Highway 1. On Hwy 1 we'll take Higgins/Purissima Road to Verde Road to Lobitos Creek Road, which drops us onto Tunitas Creek Road. That leads us back to Hwy 35.

Here we have a choice. If you want, you can cross Hwy 35 and descend down Kings Mountain Road. At the bottom of Kings Mountain Road, as we come into Woodside, people can go straight through and home via 280 or follow Woodside Road to 101.

An alternate route is to go south on 35 and stop at Alice's Restaurant, get something to eat, kick tires, and then descend down Hwy. 84 and home.

All safety procedures apply. Please get here fifteen minutes before we leave so we can go over the ride protocols.

I hope you can join us. [E-mail](#) or call me (650.966.1183) if you have any questions or concerns.

Happy New Year!
